United in God's Love

Dear Logan County Catholic Community,

On June 9th of last year, I was appointed as your new pastor, and I feel blessed to be part of a community that truly has a deep faith and commitment to supporting our parishes. I know that we are all still feeling the effects of the pandemic and I want to assure you of my prayers during this time.

To say it has been a difficult last couple of years would be an understatement. We have all felt the effects of COVID 19. If there was ever a time when we've needed our faith and our church, it is now.

We have continued to provide our Masses online because we know that many of you are still not ready to come back to worship in person which is very understandable, and I hope you are making many spiritual communions. If there is anything we can do to support you, please let us know.

During this time, it is also so important to do what we can to support our Logan County Catholic Community. Your continued support provides the foundation that strengthens our faith, gives us encouragement in our difficulties and offers hope that we will continue to run our race well to eternity.

While I offer my sincere gratitude for your continued support of your time, talent, and treasure, I encourage you to consider how you can continue to support your parish and our Catholic Community. Please prayerfully consider how God has blessed you in this past year and, if possible, offer an increase of prayer, time, or financial support for your parish.

With the grace of God and our continued good works, may our Catholic faith continue to be a beacon of light and hope as we move through 2022.

Sincerely in Christ,

Rev. Joe Dondanville
